

New Milton, Hampshire, BH25 7HQ, Tel: 01425 610 119

Product used: Spapanel in Patina Bronze & Limestone. **Project Value £23.5k**

Project Details.

When Watersplash Health & Leisure Club wanted to renovate both the male and female changing areas it was Spapanel that was chosen because of the superior finish, quality and the speed of installation.

Having a modern and contemporary feel was important to keep up with the high standard of this Health and Leisure Club and this certainly has been achieved.

The panels have been in for over twelve months now and are still looking as good as the first day they were installed. Keeping a clean and fresh look unlike tiles which quickly become tiresome!

About Watersplash Health & Leisure Club.

Based in the New Forest in Hampshire.

The Watersplash Club is a friendly and relaxing private Health & Leisure Club.

It is a small family run business, which offers its members a deeply relaxing and enjoyable health experience.

There are many varied activities, which include the Swimming Pool, Sauna, Steam Room, Spa Bath & Fitness Suite.

"We are really please with the finish and quality of the Spapanel boards and would recommend them to others"

Malcolm Partridge,
Director
